## FROM THE PASTOR'S DESK

## A Look Back at The Past 12 Months

It was just about a year ago that everything changed. We had a Session meeting on a Tuesday night where we talked about taking precautions in church regarding this new corona-virus that was spreading, but we didn't take any action. By Thursday I had circulated the precautions to the elders again and suggested that we consider them even more, but the next day, Friday the 13<sup>th</sup> (of March), things began shutting down. Enough members reported to me that they wouldn't be in church that Sunday, that we had to do some scrambling.

The choices were to shut down church totally, or try to do worship online. We chose the latter and set up a phone-camera on a tripod in the sanctuary, figured out how to get the sound to the phone which was too far down the aisle to record sound from there (so we pumped the sound through a hearing aid device into a portable speaker set up next to the phone), and took a crash course on how to stream worship over Facebook. We got word out to our members as quickly as we could that worship was only via streaming, but we also figured out that there was a way to download that live stream and post it to YouTube afterward (for those without Facebook). We began emailing out the bulletin to everyone as well as making it available for download on our webpage (2 places) and Facebook (our regular page and via the Members Only section). Prayer requests were solicited via a Facebook post.

All of that was figured out in one hectic weekend, and by March 15<sup>th</sup> we were up and running. Along the way we've modified the system by installing a permanent high definition camera in the back of the sanctuary that brings in sound directly from our sound system, but otherwise the setup is basically the same. We send out bulletins the same way, receive prayer concerns, do online remote communion, and limit the number of people in the building all pretty much the same way. And it's been a year! Who would have ever imagined back then that it would last this long, and even longer? Along the way we've learned how to do church despite technological setbacks (do you remember when we accidentally turned on a filter and I had glasses and a bow tie superimposed on me throughout the service? LOL!).

Along the way we've missed out on a lot. Our 200th Anniversary celebration was postponed. We didn't have a Fish n Chips, or Jeans Sunday, a Youth Group Work Camp, or the State Fair with our Coffee Booth, or Coffee Hours, and much more. 2020 was memorable in all the wrong ways.

But there is a light on the horizon named "vaccines." More and more people are being vaccinated, and the scale will tip soon for us to be back together in worship. We all want that day to arrive soon. When it does, though, we'll still be streaming our worship, because we have worshipers all over the country who tune in regularly. In April of last year our Maundy Thursday service had over 500 views, and considering we have 212 members that means a *lot* of folks outside of the church tuned in for the experience. We're hoping for a repeat of that this coming April when we offer the Tenebrae service again.

So I'm hoping we'll continue to stay safe, but also begin to open up the sanctuary again soon for in-person worship. When we do, though, we'll be sharing the experience with others who are too far away to join us in person, or who aren't able to make it here. I am looking forward to being around both the in-person and online groups soon! May this next 12 months see us returning back to some semblance of normalcy.

Your pastor,

*Jefferson L. Hatch*

## LENTEN ACTIVITIES

**Sunday School** families will be working on a Lenten banner to be hung in the sanctuary.

And **our Adult Lenten Study** continues on Tuesday evenings at 7pm via Zoom. Our study is themed “TESTIMONY: Vocabulary of Faith” to help us live our Reformed faith by remembering, reclaiming, and articulating what we believe about who God is and who we are so that we conform more closely to the love and grace of Jesus Christ. The online class goes for 6 weeks and includes a short video, then discussion and prayer. Sign-up via Facebook, or by emailing [pastorjh@ptd.net](mailto:pastorjh@ptd.net).

Each class will last 1-1.5 hours (depending on the amount of discussion).

## MISSIONS MARCHING ON!

**Our congregation is doing great Mission things in the midst of this pandemic!**

- The Souper Bowl of Caring garnered \$190 in a one-time collection that will be donated to the Rotary program "Hunger 3.6" this year due to the fact that they will not be able to run the shelf stable meal-packaging program this year. Instead, Rotary will purchase and distribute meals with donations. Way to go TEAM!!!
- We are in our last month of our 1<sup>st</sup> Quarter mission that benefits local soup kitchens Manna House and Harvest House. Please consider sending a check made out to FPCB with "Quarterly Mission" on the note line. Tackling Food Insecurity is our mission here!

- One Great Hour of Sharing began on Ash Wednesday and will culminate on Easter Sunday.

This is an annual mission project from Presbyterian Church USA that impacts people all over the world. This year we are splitting the collections between OGHS and Presbyterian Gifts, a site that allows donors to choose what they would like to give. More details and more information can be found at <https://presbyteriangifts.pcusa.org/gifts>. Please make

checks out to the church and mark your donation "OGHS" on the memo line. We mailed out OGHS information and envelopes last month, if you haven't received it, please call the church office. Together we can make a world of difference for those lacking the basics we take for granted...clean water, sanitation, medical care, and food. Thank you!

Thank you all so much for your contributions to the various projects the Mission Committee has selected that the Session has approved!!

## RECIPE OF THE MONTH

### GUINNESS-GLAZED LAMB CHOPS

#### INGREDIENTS

- 2 cups (16 ounces) Guinness stout
- 1/2 cup packed light brown sugar
- 1 1/2 tablespoons coriander seeds, crushed
- 1/2 teaspoon black peppercorns, crushed
- 16 rib lamb chops (buy separately or buy two 8-rib racks of lamb and cut them yourself into individual chops)

#### PREPARATION

1. Bring stout, sugar, coriander seeds, peppercorns, and 1/4 teaspoon salt to a boil in a 2-quart nonreactive saucepan, stirring until sugar is dissolved, then continue boiling (keep an eye on it and reduce heat to keep it from boiling over) until glaze is syrupy and reduced to about 1/2 cup, 20 to 30 minutes.
2. Strain through a fine-mesh sieve into a bowl and discard solids.
3. Preheat broiler.
4. Pat chops dry and sprinkle with 1 teaspoon salt and 1/2 teaspoon black pepper.
5. Divide glaze between 2 small bowls and set 1 aside for use later. Brush both sides of chops with glaze (from remaining bowl) and arrange on rack of a broiler pan.
6. Broil 5 inches from heat, 4 to 5 minutes on each side for medium rare.
7. Transfer chops to a platter and drizzle with reserved glaze, let rest 5 minutes, then serve.
