APRIL 2021

## FROM THE PASTOR'S DESK

## God Is With Us

I'm of two minds this week in a number of ways. I got my 2<sup>nd</sup> vaccination shot yesterday (3/29) and that's cause for celebration(!) but today I'm experiencing the side-effects of that shot and feel achy all over. I know that means my body is creating anti-bodies, and that is heartening, but I still feel beat up.

And last month we (the Session) voted to open church on Sunday, April 11<sup>th</sup>, back to the level we'd gone to last fall. That means there will be more bodies in the pews to preach to, and smiling eyes as we get back together, but I looked up the data for Sussex County and we're the only county in NJ that is listed at the worst level known as "severe," where all the rest are "very high risk." A lot of our numbers are the highest they've been during this pandemic began and peaked in mid-January. We set a goal last November, when we shut down to 10 or fewer in the sanctuary, that we would open back up when the positive test rate was under 5% for our county, and we're currently at 13.3%. We'll follow all the guidelines for those gathered in a room with wearing masks, not singing, not doing responsive readings, and staying socially distant. I hear both the calls for being back together as well as the calls to hold on a little longer until the vaccines have truly begun to make a difference in the numbers.

This week we have our Maundy Thursday service of Tenebrae, and that means the service that darkens the sanctuary and reminds us of Christ's death for our sins. On the other hand the following Sunday we'll celebrate Easter and Christ's resurrection, which means forgiveness and blessings and the reminder that ours is a God of light and life.

This first week of April sure has a lot of give and take, darkness and light, feeling ill and better/safer health. We cover the spectrum of sorrow and joy, introspection and external validation, darkening of horizons and beams of hopeful light.

I suspect you're on that spectrum somewhere as well with your own story of challenges and victories, wounds (emotional, mental, etc.) and healings, feeling blah and jumping for joy. Wherever you are, please remember, as I do as well, that Jesus said, "remember, I am with you always, to the end of the age." That reminds us that no matter what we feel or whether we are of two-minds (or more) about what is going on in life, our Lord is *with us*, through thick and thin. That's comfort when life is darker, and reason for added joy when life is bright. Through it all, God is with us.

I'll see you in church. Your pastor,

*Jefferson L. Hatch*

Please offer prayers for these concerns that have been brought to our attention. They are collected each Sunday morning during the past month from the prayer concerns list used in worship.

## Church News

**THE ONE GREAT HOUR OF SHARING (OGHS)** will be collected throughout the Lenten season, but particularly on Palm Sunday, Maundy Thursday, and Easter. One-half of the OGHS offering will go to Presbyterian denominational programs which include Presbyterian Disaster Assistance, the Presbyterian Hunger Program and the Self Development of People. Through our support of these programs, we improve the living conditions, health, and economy of people throughout the world and show them God's love through their struggles.

The other half of our OGHS offering will go toward designated missions around the world. The MISSIONS Committee will go through a catalog of worthwhile missions that have asked for funds outside of our regular General Mission giving, and use our donations to help specific people and projects. These projects will be reported to you next month after they have been funded.

Please make checks out to the church and mark your donation "OGHS" on the memo line. We mailed out OGHS information and envelopes on Ash Wednesday, so if you haven't received them please call the church office. Together we can make a world of difference for those lacking the basics we often take for granted... clean water, sanitation, medical care, and food. Thank you for being generous!

**PER CAPITA** — If you haven't sent in your Per Capita we ask that you consider doing so. We are encouraged to think more about the love in our lives, but it's also a great time to remember that, as Christians, we have the privilege and power to share the great Love of Christ far beyond our own limited reach. The 2021 Per Capita is \$40 per person. Our Per Capita is used to pay administrative costs of Presbytery, Synod, and General Assembly, and goes toward the missions we support within our denomination. It would help us meet our budget if you would use the Per Capita envelope or note on a check "Per Capita" to help us offset what we have to pay out of our church budget. So please, remember to *Love Your Church* with your Per Capita gift.

**2<sup>ND</sup> QUARTER MISSION** - Our focus for April, May and June is **Communities Little Helpers**.

This group of local children up to 12 years old, led by our own Kristen Reinertsen, gathers to perform acts of community service and kindness. They visit with, make crafts for, shop for and donate to those in need. Your contributions allow them to purchase items that are necessary for their program activities while they learn the value of helping others. You can mark your cash donation pew envelope for quarterly mission or write CLH on your check.

We will also be reporting the total amount donated to OGHS during Lent and Easter and keep you up to date on which gifts have been purchased with General Mission funds. Thanks so much for your generous contributions for what we feel are worthy causes.

## COLLEGE CARE PACKAGES

Spring is here and the Fellowship Committee will be sending off Spring Care Packages in April. Please keep this ongoing mission project for our youth in mind when you go shopping for Easter candies and goodies, and pick up an extra package of peeps, small chocolate eggs, Easter bunnies, etc. to mail to our youth away at school.

Other suggestions - Prepackaged crackers and nuts, granola bars, homemade cookies, individual size cereal boxes, popcorn, Ramen noodles, gum, hot chocolate, potato chips, etc., etc.

You have seen in the past that our young members really enjoy and look forward to receiving these packages from their church family each fall and spring. You can also help out by contributing money to assist with the mailing cost of these care packages (each costs about \$15 to mail).

Also, please remember that if your child has changed their address since last fall, you should please notify the Church Office so that we can update our records. Thank you again for your continued support of this ongoing project to let our young members away at school know that we care.
